Congratulations! You are pre-selected* for a minimum auto loan of $7,500 up to a maximum of $39,000. This offer expires on 08/01/2026.

What is the FreshStart program?
The FreshStart Program was created to help those who have been through difficult financial times and need a second chance to get a vehicle with a lifetime warranty! We believe that there are good people who need an auto loan, but because of their bankruptcy, they think it would be nearly impossible to get one.

What makes FreshStart the right program for you?
We work with federally secured banks and lending institutions to enable you to purchase a quality vehicle of your choice. We have a full understanding of the apprehension, uncertainty, and sometimes even the embarrassment of the financial situations in purchasing a vehicle. Knowing this, you can be confident that you will be treated with respect in all of your dealings during the entire process.

How am I pre-selected?*
This is your opportunity to participate in the FreshStart Program. Give us a call or visit our website to confirm your eligibility for an auto loan!

What vehicles are available?
Our entire inventory will be available to you at incredible prices because of your status. Choose from a variety of makes and models to pick your new ride!
