Congratulations! You are pre-qualified* for a minimum auto loan of $7,999 up to a maximum of $39,999. This offer expires on 04/04/2026.

What Is The Auto Financing Program?
Due to your pre-qualified* status, you are now able to take part in Bush Nissan of Exton's Auto Financing Program.* This program allows you to show up at the dealership as a buyer, not a browser.

We believe that everyone may qualify for financing and receive a great interest rate which may save you thousands over the life of a loan.

How am I eligible for this auto loan program?
The answer is simple. It's because you have satisfied the criteria for pre-qualification.* Bush Nissan of Exton looks forward to helping you finance your next new vehicle.

What Makes The Auto Financing Program For You?
The Auto Financing Program has a very different kind of approach. It allows us to handle the initial transaction entirely by phone or website, in only a few minutes. In fact, this program is light-years ahead of typical finance programs you may have received in the past.

What vehicles are available?
Choose from over 375 new vehicles including cars, trucks and SUVs!

HOW TO DETERMINE YOUR AUTHORIZED AMOUNT

Sincerely,

Jeff Patka

*Your new vehicle payment cannot exceed 20% of your gross monthly income; vehicle payment totaled with your current monthly payments must not exceed 50% of your gross income. You must be at least 18 years of age. Lender assumes no responsibility for incorrect information supplied by various credit reporting agencies. Any equity deficit in your current vehicle must be paid or refinanced with new Vehicle. Bankruptcies must be discharged. If in compliance with all applicable credit criteria, you will receive a loan for the purchase of a 2010 or newer vehicle. Once your approval is confirmed, you may choose an amount to finance between $7,999 (minimum amount) and $39,999 (maximum amount) depending on your personal maximum approval amount, your choice of vehicle and the monthly payments you feel comfortable with. Your APR will be between 0% and 29%, calculated by simple interest, and you can take up to 72 months to pay! Example: For every $1,000 financed @ 11.9% for a period of 72 months, the monthly payment will be $19.50 and at 15.9% it's $21.64. Therefore, if you finance $15,000 @ 11.9% over 72 months, your monthly payment will be $292.50. The monthly payment for $15,000 @ 21% over 72 months would be $368.80.
